Venture Makers: Global Exchange Program

High School-University Collaboration

ENTREPRENEURSHIP, INNOVATION AND BEYOND!

On Friday, 24th of March 2023, Four students from Miki Senior High School attended the International Student Conference on entrepreneurship and innovation held at ACALL Headquarters Kobe Sannomiya.

In the event, delegates from the participating universities shared outstanding pitch presentations as a result of their 10-day training on fostering entrepreneurship and startup ecosystems.

Mr. Joshua Flannery of Innovation Dojo Japan alongside Professor Masahito Kitamura of KUISs, Department of Business Administration, are panel members who provided valuable input and feedback during the presentation.
